Free

Sept 16 & 18

9 a.m. to 12 p.m.

Two Sessions

Interactive

Recorded

Using Cytisine and Vaping as **Harm Reduction Tools** for Smoking Cessation.

A comprehensive workshop for STOP practitioners in Ontario to enhance their knowledge and clinical skills using Cytisine and Vaping as harm reduction tools for smoking cessation. Offered in collaboration with the STOP Program, the workshop will be designed to reflect current evidence, best practices, and harm reduction frameworks.

Workshop Details
